Proceedings of the Madras Government, Public Works Department,
10th January 1872.

No. 103. Read the following letter from the Superintending Engineer, 8th Division, to the Secretary to Government, Public Works Department, dated Madura, 19th December 1871, No. 3,589 :—

I HAVE the honour to report that the Executive Engineer in charge of the Perryaur Project, Madura District, represents that funds are very urgently required for the investigations in progress, and he has requested me to order the sum of Rupees 4,500 alluded to, as recommended to be appropriated in G. O., of the 10th November 1871, No. 2,851, to be placed to his credit in the Chinnamanoor treasury "with the least possible delay."

2. In reply, I have pointed out to Mr. Smith that in the above quoted G. O. it is merely stated that the sanction of the Government of India will be requested to the appropriation of the sum of Rupees 4,500 for completing the field-work in the Perryaur hill tracts from the grant for the Pelandorai Project in the South Arcot District, and as the abovementioned amount has not yet been transferred to this division, I am unable to comply with his request.

3. As however funds are urgently required by Mr. Smith, I request the permission of Government to transfer as a temporary measure, pending the sanction by the Supreme Government of the abovementioned amount, namely, Rupees 4,500, the sum of Rupees 2,000 from the Tinnevelly to the Madura District from the current year's grant of Rupees 7,500 under Minor New Works, Agricultural, for the Tinnevelly District, so that I may place that amount at Mr. Smith's disposal for immediate expenditure.
